

WELCOME

Tiffany Baldwin

Tiffany Baldwin is an Associate in the Immigration Practice Group. She is an immigration attorney concentrating in the areas of employment-based immigration law. She works with clients to aggressively pursue temporary and permanent employment based and family based immigration solutions.

Tiffany provides immigration services to corporations, universities, hospitals, and other organizations, as well as, individuals nationwide. Tiffany specializes in obtaining immigration status for foreign nationals seeking employment in the U.S. in the fields of health care, business, high tech, education, engineering, and other professions.

Tiffany also provides advice and guidance to business clients as they address their employment eligibility verification obligations. She works with those clients to evaluate strategies and to develop processes for addressing the issues involved with verification and compliance.
